Opinions Differ on Amalgamation

At a special meeting held on Monday, April 1st at Father Jan School, council received briefs and heard presentations regarding amalgamation. Present were Mayor Fowler, Councillors Bakker, Gibbon Lukay and Wheatley also 37 members of the public. A total of eight briefs were received.

During the evening only two briefs were spoken to, Mr. G. McBroom for the Citizen's Amalgamation Committee and Mr. W. Penrose.

Mr. McBroom stated amalgamation would result in a lower mill rate and hence lower taxes, lower insurance by 20% because of professional firefighters and felt that amalgamation was "inevitable". Therefore should be done while St. Albert had something left to bargain with and before the town became bankrupt.

The amalgamation committee also thought that the high taxes were resulting in lower property values and in fact making houses in St. Albert difficult to sell.

Councillor Wheatley sta-

ted his information from real estate agents was rather the reverse, that the agents could not get enough houses to sell, and those they did get, they had no difficulty in selling.

Councillor Gibbon also disagreed and thought that lower land values in St. Albert compensated for the higher taxes in calculating mortgage payments. He agreed that "the man who owned his own house outright" had a problem, but felt those to be a small minority of residents.

Mayor Fowler regretted there were no submissions from the school boards and Chamber of Commerce.

Mr. McBroom suggested perhaps a councillor would be prepared to make a motion "to include a plebiscite in the next town election". But no councillors were prepared at this time to make such a motion.

Mayor Fowler agreed council should determine the feeling of residents before taking a stand on this matter.

Councillor Wheatley observed that St. Albert was

getting more for its school tax dollar than Edmonton and also that amalgamation was no guarantee that St. Albert would have the same mill rate as Edmonton. If Edmonton was forced to "take in" St. Albert they might leave the mill rate in St. Albert where it is.

Mr. Penrose then spoke to his brief and stated that in examining similar amalgamations in other areas he could find no evidence of any saving in schools, fire or police protection, though there were savings in water and sewer charges.

The meeting adjourned at 10:30 p.m.

Health Unit Staff Help at Thorhild

Many volunteer nurses and technicians from St. Albert and district have been helping the Sturgeon Health Unit with its two-week multiphasic screening program, 'Preventicare 1968', in Thorhild.

Searching for hidden diseases in the adult population has meant long hours of work for staff and volunteers. "Community involvement and response has been excellent but without all the extra help we couldn't have carried out this program",

says Medical Officer of Health, Dr. James Howell. Most valuable information will come from the questionnaire which a proportion of clinic attendees are asked to complete. For instance, no one knows what proportion of women have ever had a cervical Pap Smear taken, what people think of immunisation or other preventive measures, whether the dangers of glaucoma or tetanus are understood. Answers to the questionnaire will assist Sturgeon Health Unit.

Ken Crooks Heads Liberals

Kenneth Crooks of 39 Gainsborough Avenue was elected president of the St. Albert Provincial Liberal Association at their annual meeting Friday night in the Legion Hall. Ray Gibbon, St. Albert councillor was elected vice-president and Larry Turner of Greenwich Crescent as secretary-treasurer. Directors are Richard Wheatley and Robert Russell of St. Albert, Hugh Rigney of Bon Accord and Art Soetaert, Paul Chalifoux and Louis Chalifoux of Morinville.

Mr. Crooks is with Imperial Oil and has been active in the Liberal Party as cam-

paign manager and a member of the St. Albert Liberal Association for five years. Paul Chalifoux, newly nominated candidate for the Pembina riding was guest speaker. Mr. Chalifoux said the Liberal Party needs more Western members in the House of Commons, who can put forth western policies in the Liberal caucus and in parliament. "The Liberal government has achieved a great deal in new legislation and in improving existing legislation. But the party needs more members out west who can tell the

Cyclists Run Trials Here

The ten-mile time trials sponsored in St. Albert by Velo-Sport saw Peter McCaffery come up with the winning time again. He did the stretch (5 miles out and 5 miles back from the weigh scale on St. Albert Trail) in 28.46. Runner-up was Greg Yarkie with 30.35 and young Teddie Elkins of St. Albert placed fourth in the event. Bill Baart, on a bike for the first time came in with 38.14 and a renewed enthusiasm for cycling. One of two girl cycle racers in Canada, Linda Yarkie was also en-

tered.

In the 4-mile junior event Blaine Munro won with a time of 14.51, followed by Matt Lister and Steven Lister. The three boys are all from Leo Nickerson School.

Next Sunday a gruelling 25-mile time trial has been arranged by Velo-Sport on Highway 16 west, beginning from "Nellie's Chicken" restaurant just west of CF RN Tower. The club is also hoping to stage some cycling events at Speedway Park and Northgate later in the season.

Mrs. MacDonald Directing Play

MRS. MICKEY MACDONALD

"We consider ourselves very fortunate to obtain the services of Mickey MacDonald for our spring play this year" stated Shirley Martin, president of the St. Albert on Sturgeon Players. She will be directing the Noel Coward comedy "Blithe Spirit" to be presented on

April 8, 9, 10, 11 in the clubhouse, St. Albert.

Mrs. MacDonald has a long list of impressive credits in theatre, ranging from Broadway, where she received critical acclaim for one of the most interesting female performances of the year, to Canada where she was the recipient of the Best Director award in the "three act" Provincial Drama Festival.

Mrs. MacDonald received her early theatrical training at the American Academy of Dramatic Art in New York and has worked extensively in radio and T.V. She has performed in over 100 plays and has adjudicated all over the province as well as in the Northwest Territories. She has been active in Edmonton Theatre for several years having performed for Studio Theatre, Edmonton, Light Opera, Walderdale Playhouse and Alberta Torch Theatre.

More than 30 St. Albert Girl Guides took the home-nursing course at the Youville Home. Instructors were Sister Mageau and Ann Hegland. The Guides are shown here practising bandaging. Examinations were taken March 30 and all girls passed their tests.

Cadets Honoured at Calgary

Pat Patterson, of the provincial committee selection board, F. O. Gordon Martin, Sgt. Mike Greene and former W. O. Bill Hart, all of St. Albert, attended the 1st Annual Awards Banquet of the Air Cadet League of Canada, Alberta provincial committee, held at Calgary's Highlander Motor Hotel Saturday Mar. 30. Sgt. Greene and former W.O. Hart of 533 squadron were given recog-

nition as award winning guests. Greene has won a glider scholarship and was awarded his pilot license and last summer Hart was an exchange student visiting England and Germany on a scholarship. The 533 squadron is sponsored by the St. Albert Lions Club.

Wilf Johns, secretary-treasurer of the provincial

Cont'd on Page 3

Greg Yarkie leans into the wind as he sets out on a ten-mile cycling trial last Sunday. Thirty-five degree early season temperatures didn't help to improve the times, which none of the entrants were bragging about, but there is growing interest in the sport here.

Last Saturday morning marked the last of the current childrens' ceramic classes. Fourteen children aged five and half to 10 eagerly crowded around the kiln as instructress Mrs. C. J. Bruce, 25 Geneva Crescent

removed their work. The childrens work showed a lot of promise and Mrs. Bruce as well as her young pupils were delighted with it.

People make News

While Gerry Ward was in Calgary last week on business he was stopped on the street by a man, who asked if he was Mr. Trudeau. After replying in the negative, Gerry asked the chap with him "Is that somebody connected with the cleaning business?" Obviously the compliment was lost on Mr. Ward who doesn't concern himself with politics sufficiently to know that women all over Canada are raving about the handsome leadership candidate. (If Pierre had something to do with aircraft, it would have been a different story, this being a consuming interest of Mr. Ward).

For golf fans who thought St. Albert's Parks and Recreation director Mr. Andre Gate, looked awkward in the golf picture carried last week, the Gazette hastens to apologize for making his swing look pretty bad by printing the picture the wrong way around. Sorry about that Andre.

Mr. and Mrs. Robert Russell and family have just returned from a skiing weekend at Marmot Basin in Jasper.

Mr. Gordon Townend, administrator of Sturgeon Hospital, attended the three-day convention of hospital officials from the four Western provinces, at the Chateau Lacombe this week.

Miss Lois Upright a niece of Mr. and Mrs. Philip Upright, 5 Ball Avenue, is one of eight Alberta musicians chosen for the 1968 National Youth Orchestra. Lois, who plays the cello is taking her Bachelor of Music at the University, and will appear soon on CBC television's evening show "New Faces". The orchestra will tour Eastern Canada this year.

Mr. and Mrs. Malinowski, 39 Grandora Crescent welcomed a baby girl, Tracey Christine, March 19. A wee sister for Kevin.

Mrs. W. P. McMechan, 16 Gillian Crescent, was presented with a going away gift at the W.L. meeting, Mar. 26. The McMechans will be leaving soon to make their home in Seattle.

Mayor Richard Fowler and Councillor John de Bruijn attended the Convention of Hospital Trustees at the Banff School of Fine Arts last week, and report a well organized, informative and helpful sessions and speakers.

"awesome" and recalled visiting such sacred places as the room of the Last Supper, the ruins of the home of Mary and Martha, the tomb of Lazarus, the gardens of Gethsemane and the Via de la Rosa. The excellent slides and Mrs. Manning's informative commentary was enjoyed by an audience of approximately 60 ladies.

The St. Albert Branch of the Royal Canadian Legion are having a Social Evening "Hard-times Dance", April 27 in the Community Hall. Tickets can be obtained from Legion members.

Local Happenings

Around Town

Phone your Social and Club news to Hennie Stibbe at 599-7448. Arrangements for photographs can also be made. No charge for news items or pictures.

Look for the girl in the yellow smock this Saturday Daffodil Day in St. Albert. Members of the Father Lacombe Chapter L.O.D.E. will accept your donations to the Cancer Fund at Safeway and on Perron Street. Wear a "Symbol of Hope" and support this worthy cause.

The St. Albert Evangelical Lutheran Senior Choir will present the Easter Cantata "The Glory of Easter", April 7 at 7:30 p.m., in the church. Everyone welcome.

This Saturday is \$1.49 day as the Luther League sponsors a car wash at the Pacific 66 station on the highway from 10 a.m. to 5 p.m.

Anyone wishing to donate old newspapers, clothing or magazines to the Lutheran Church Women, please take them to Mrs. Nielsen, 50 Grandora Crescent.

All W.L. members wishing to attend the Smoky Lake conference, April 6 are asked to notify Mrs. Moore at 599-8143 as soon as possible so that arrangements may be completed.

The Father Lacombe Chapter L.O.D.E. hosted a wine party in aid of the Aphasic

School March 22. Mrs. A. Unger, founder and principal of the school was guest at the party, held at the home of Mrs. W. Scott, 4 Grandville Avenue.

A series of 10 minute programs will be presented on C.F.R.N. T.V. April 10, 17 and 24 on "Tiger's Den" at 5:15 p.m. Eric Robinson 9 Gresham Blvd., will discuss bike safety and maintenance on the programs which are brought under the auspices of the Edmonton Safety Council. Youngsters should get their bikes road worthy before the Pedal Pushers Clubs commence the first week of May.

The St. Albert Barber-shop Chorus extends a cordial invitation to all men interested in singing to join them at their weekly practice, every Thursday evening at 8:30 p.m., in the clubhouse next to the swimming pool.

Mrs. A. Vanden Bos, Mrs. P. Sandomirsky, Mrs. A. Brunner, Mrs. J. Brostrom and Mrs. F. Iske have returned from Calgary where they were delegates to the 39th annual meeting and conference of the Girl Guides of Canada, Alberta Council, held at the Calgary Inn, March 28, 29 and 30. The agenda included a panel discussion and lecture on communications, several business and committee meetings, election of officers and

On the Teen Scene

Students from more than 20 North Central Alberta schools participated in the High School Athletic Association badminton tournament which took place last Saturday at St. Albert High and Vital Grandin.

St. Albert High's Drama Club will present "Pullman Car Hiawatha" at the one act play competitions in Athabasca this Saturday.

Last week's barn dance was well attended. Another dance is being planned for April 17.

Some kids at Paul Kane are still getting over the shock of seeing their report cards last Friday.

The Senior Public Speaking finals will be held at a banquet, Mrs. A. Vanden Bos, 29 Sheridan Drive, was re-elected to the executive committee of the Council.

The St. Albert on Sturgeon Players production of Noel Coward's "Billie Spirit" is well off the ground. Rehearsals under director Mickey Macdonald are being held four times a week at the Braeside skating shack. Male actors are still required as is an electrician to be available May 8, 9, 10 and 11. If you can help out, please contact Shirley Martin at 599-7370.

The Beta Sigma Phi held a rushing party for new pledges at the home of Irene de Luca, 62 Sunset Blvd., March 25. A new executive was elected at the sorority's March 27 meeting. Pat Tjelum is the new president, with Irene de Luca, vice president; Penny Cooke, treasurer; Dorothy Watt, corresponding secretary; Georgina Cooke, recording secretary. A model meeting for the girls rushing for the sorority will be held April 10 at the home of Georgina Cooke. The Annual Founders Day banquet will be held April 30 at the Chateau Lacombe. This banquet will be attended by all 17 Edmonton and area chapters.

Paul Kane this Friday at 8 p.m.

Paul Kane held its Speech finals Monday. Speeches were excellent and showed a great deal of preparation by the students. Grade 10 finalists are: Fergie Evans, Carol Hanneman, Connie Beauchamp, Holly Nickerson, Margaret Moar. Finalists in Grade 11 competitions are: Stewart Cameron, Linda Whitton, Dorothy Humbert, Larry Whitman, Terry Haas, Rick Bauman, Barbara Shayt, Lois Peacock. Names of Grade 12 finalists were not available at press time.

Fifteen Paul Kane students, accompanied by three teachers attended the Mar. 27 performance of "Ramp" at the Citadel. This event was under the sponsorship of Mr. Geddes.

Weekly "Gallop Polls" will be conducted at Paul Kane. This week's big question concerns the Liberal Leadership.

W.I. Hears Mrs. Manning

by Hennie Stibbe.
Mrs. Ernest C. Manning was guest speaker at the March 26 meeting of the St. Albert Women's Institute. Mrs. Manning presented a most interesting program of colored slides featuring the Holy Land. The Premier and Mrs. Manning visited Israel four years ago, realizing a "life long dream". The picture of the Holy Land as presented by Mrs. Manning was that of a land of contrast. It showed many modern buildings and luxurious motels. Just outside the urban areas the nomadic Bedouins live in their tents. Being very interested in dairy farming Mr. and Mrs. Manning visited a dairy farm on a kibbutz where they saw sophisticated machinery not yet available at home. Mrs. Manning found the terrain

New Fashions Exciting

Left to right: Mrs. R. H. Harvey, Mrs. M. Wakefield, Mrs. R. Crozier, Mrs. Montpetit, Mrs. F. Carnahan and Mrs. L. Martineau.

by Hennie Stibbe

Fashion conscious St. Albert and District ladies viewed the latest spring styles as two fashion shows were presented in St. Albert, Tuesday, Mar. 26 the Newcomers' Club sponsored a showing of fashions by Simpsons Sears which was attended by approximately 225 ladies. Commentator was Marilyn Christiansen, fashion coordinator for Simpsons. Models were from Vogue Models Ltd. Styles shown were smartly accessorized with the latest in handbags, shoes and hats.

Friday, Mar. 29 the St. Albert Women's Institute presented its 9th annual "Festival of Fashions" with clothes from Woodwards - Westmount. Commentator was Mrs. Mayer from Woodwards, music was by Mrs.

Bertha Kennedy. Clothes for children, teens, women and men were modelled by local residents.

Both shows featured a complete line of spring fashions, including beach and play wear, afternoon dresses, evening gowns, coats and several smart coat and dress ensembles. Belts are back this spring and the dirndl skirt is making a re-appearance. Pant suits are

still very popular. Several romantic styles for the young at heart showed a distinct "Gone With The Wind" influence, with lavish ruffles and lace. The "hard ware" look is in, featuring huge zippers, buckles and clasps. Colors are simply gorgeous. Shocking pinks, greens and oranges are used in combinations previously unheard of. Outstanding this year are the glamorous bro-

cade and rich velvet coats, which could easily serve as theatre or evening wear. But these coats are 100% shower proof, a far cry from the drab poplin raincoats we used to wear! Very practical, too, are the machine washable knits, marvellous for travelling as they pack beautifully. Yes, clothes this spring are most attractive and very wearable.

Leeanne and Lani-Rae Wilson in pretty party frocks.

Red Cross Report Shows Good Year

George Reid of Edmonton has been returned as president of the Alberta North West Territories Division of the Canadian Red Cross Society at their annual meeting held in Calgary on Mar. 29. Vice-presidents from Edmonton and area are L. A. Nickols and Gene Hadley, Edmonton and Jack Yull Barrhead.

Dr. W. Donald Smith resigned after serving as a vice-president and as chairman of the water safety services.

The division was given a campaign quota of \$565,000 for 1968. The national quota is \$7,100,000.

Reports given at the meeting showed 41,876 bottles of blood collected in Northern Alberta by the Edmonton depot. The city of Edmonton provided 60.2% of the total take.

In 1967 65,538 were enrolled in the water safety services learn to swim program and 813 in instructor and leadership training.

Through Red Cross Youth 32,733 students in 1,108 branches were able to aid needy young people in Canada and throughout the world. The women's work com-

mittee completed their centennial project last December. They had made 1006 baby layettes!

Fourteen families were reunited through the enquiry service and an estimated 283,485 persons saw the new Red Cross film, "No Red Tape".

Driving School

A Defensive Driving course will be offered at Youville Home auditorium following Easter. The course is presented by Alberta Safety Council and sponsored by local members of Edmonton Aphasic Association.

The course is directed toward improving driving habits of the licenced driver, particularly that the two-car accident may be avoided. The two-car collision causes about 39 per cent, or almost half, of total traffic fatalities, according to figures studied by Alberta Safety Council.

The course will be held two evenings a week for two weeks.

The exact time of the meetings, as well as information concerning registration will be given in the next issue of the Gazette.

PROPOSED COMMERCIAL-INDUSTRIAL DEVELOPMENT COMMITTEE

The Council of the Town of St. Albert proposes to establish a Commercial-Industrial Development Committee. The Committee will be a working advisory Committee to Council and will have the following primary functions:

- (a) Attracting commercial and industrial development to St. Albert.
- (b) Preparation of an information brochure, and
- (c) Making recommendations respecting the establishment of Industrial Parks in St. Albert.

It is proposed that the Committee consist of not more than five members. The Committee will serve without remuneration.

Applications are invited from citizens willing to serve on this Committee who feel they have the time, the energy and the interest in working in this particular field of endeavor.

Please submit written applications to the undersigned not later than Thursday, April 18, 1968.

J. M. Fleming
Secretary-Treasurer
Town of St. Albert.

the Gazette REFLECTS

One of the functions of a newspaper is to reflect public opinion, we are therefore very glad to publish in this issue the letters received from councillors and the mayor's column, even though all three may disagree with opinions expressed in previous issues. We would be equally happy to publish any other opinions expressed.

The mayor in his column this week states, "that the total outside work force has not been increased since it was set at 14 by council in 1964."

The expenses of the engineers department in 1965, as reported in Auditor's Financial Statement for the year ending 31st December 1965, Town of St. Albert, on page 1, under expenditures, Public Works \$70,804, Sanitation and waste removal, \$46,120, and page 19, Water supply system expenditures \$146,688, a total of \$263,612.

The same three figures in the 1968 budget, page 3, are \$93,475., \$63,435, and Page 30 \$189,235, a total of \$346,145. This is an increase of \$82,533 or 31.3%.

To be correct we should remove the increase in water purchases over the same period of \$14,149, leaving a net increase of \$68,384, or 25.9% over 1965. It is this increase in expenditures - nothing to do with capital expenditures, that concerns the public.

Report From the Legislature

By K. EVERITT M.L.A.
St. Albert

Church Property Taxes

Bill No. 63 - an Act to amend or repeal certain Private Acts was introduced yesterday. This Act will likely prove to be a real hot potato, however I am going to face it head on and make representation. Perhaps I should explain this particular piece of legislation. In 1964 the Sisters of the Morinville Convent, Les Filles de Jesus, obtained tax exemption on 3.95 acres of property. In that same year Sisters of Charity (Grey Nuns of Alberta) obtained tax exemption on 15 lots in the Village of Legal. In 1962 the Youville Home (Grey Nuns) of St. Albert applied for tax exemption on five acres of land and the buildings, which was granted by private bill.

In 1962 the Star of the North Retreat House was incorporated and granted tax exemption on their structure and .9 acres of land. The Act which was introduced yesterday will repeal these Private Acts and if this particular Act is passed the various bodies will be subject to assessment and taxation by the municipalities concerned. We are faced with making a decision which may be very controversial. The municipalities claim they need a broader base for taxation purposes. One may ask "Should churches, graveyards, hospitals and community halls be assessed and taxed". I must say there is a growing demand by the public at large to assess and tax everything with no exemption. It is true that exemptions bring on abuses. However, having

said that I will go on to the next point.

Today all churches or buildings chiefly used for divine service, public worship or religious education are exempt from taxation. Because of this reason (unless proved otherwise) I cannot support the section of the Act which will allow the Assessment and Taxation of the Star of the North Retreat House. I have mailed a copy of the proposed Bill to the municipal authorities. It would be my hope that those who are strong in their connections either for or against this principle will contact me either at the Legislative Building or the Mayfair Hotel.

Although these four sections of the Act affect those of the Catholic Faith in my area, in all fairness I should state that the total Bill also affects the Boys' Club of Calgary, the Mormon Church, Alberta Protestant Home for Children and the Edmonton Home for Ex-Servicemen's Children. This Bill comes as a recommendation from the Local Authorities Board which has spent some two years scrutinizing the Private Bills that have been considered in the past by the Legislature.

I have received a number of letters from farm groups concerning the .03% on purple fuel. It is my intention to answer these privately. However, in my next article I hope to outline government policy in this respect.

West Germany has received more immigrants since World War II than any other country except the United States.

Letters - - Mayor and Councillors Reply ! !

Dear Sir:

Your article in the issue of the Gazette of Mar. 27, 1968 on "Use of Surplus Huts discussed" deserves some comment.

First of all the writer of this article, Mr. F. Laird was not present at this meeting of the council. Under the appearance of a newspaper report a biased viewpoint is presented which in no way resembles the discussion that occurred in council. This council meeting lasted three and half hours, a lengthy agenda was finished with this one particular agenda item not lasting more than 20 minutes.

The town has bought these six surplus huts from the federal government about one year ago for the sum of \$2,500 each from general revenue funds. The town still has to proceed with advertising the money by-law to reimburse the revenue fund for this expenditure. The town can either make these huts available for use now if there is a need for them or store them away for some distant future. I prefer to see these huts used now when the need for them is apparently here, either by the town and/or by community serving groups of citizens. Since the basic costs for the erection and finishing of each hut is about \$8,000 (as was calculated by the recreation department), it is desirable that these huts be erected at least cost to the town and hence to the taxpayer. The Braeside rink hut was erected by the town at a cost of about \$10,000 because of special flooring needed for skates. This hut stands idle for a large part of the year. I wish to make it quite clear that I do not object to this, as it serves in its own right a community purpose.

The Creative Schools Society, a non-profit, non-denominational Society registered under the Societies Act, offered to erect one hut on already town owned land, the location of which would be selected by the town. The immediate costs of about \$2,000 incurred for fixtures and services connections were to be paid by the town although this amount would be repaid over a period of five years in the form of rent. It should again be pointed out that the town has already bought these huts and that there is no question of purchasing land for this hut.

It was pointed out to Councillor Gibbon at this meeting of the council (but not reported by your absent "reporter") that there was no cost of land involved and that the hut has to be paid for whether erected or not. His total of \$7,000 was therefore in error by \$4,500 (being land and hut). The net result would be that the town would finish up with an erected building for \$2,500, which compares favourably with the estimates that the recreation department presented. And furthermore this society would be providing many thousands of dollars in the form of labour in

the erection and outfitting of this hut.

This same principle of erection and finishing of a hut by volunteer labor plus \$2,000 (plus service connection) was used for the teenagers hut which Councillor Gibbon favours so much and which I have supported all along on the principle that the use of this hut serves a community purpose. The teens do not repay their \$2,000 and I do not object to that at all.

Councillor Gibbon voted for the teenagers hut, even though he has teenaged children. And so he should, because he is interested in this community project. I have a son in the Cubs and the Hercules Association and a daughter in the Brownies. If any of these organizations or any other community minded, non-profit and non-denominational group were to make a similar offer to the town, I have every intention to vote on such a question again.

During the discussion in council (again not reported by your absent "reporter") the matter of exclusive use came up. The classes of this society do not operate for four months of the year, nor do they use the building after 4 p.m. The officers of the society said at this meeting that they would be happy to co-operate with the recreation department in regard to the use of this hut in off-time hours, provided the use was compatible. For example cubs and guides could also make use of this building.

Much is made in this article that "the electorate" rejected "town" supported kindergarten and nursery schools. I would like to correct this: School supporters of District No. 6 rejected that the School District No. 6 should support kindergartens through supplementary requisition. Nursery schools for four year olds never entered the picture.

Mr. Laird in his article suggests that I should have abstained from voting on this offer from this society because of a "conflict of interests". The Town and Village Act states very clearly that councillors present shall vote, unless excused by resolution of council or unless disqualified from voting by reason of interest or otherwise. It is my duty as a councillor of this town to have an interest in everything connected with the general state of this town and my vote on any matter shows whether I feel that a certain proposal is in the general interest of this town or not. However, if for that matter Mr. Laird implies that I should have abstained because of either a direct or indirect pecuniary interest in this matter then I would appreciate if Mr. Laird would state this without hidden innuendo directed at myself. He could state that as clearly as a vote in council: Yes or No.

Yours truly,
J. J. Bakker.

Dear Sir:

As the town councillor who made the motion concerning the erection of the Prefab Surplus Hut by a kindergarten organization, I would like to briefly outline the reasons why I considered it to be in the town's interest.

Because the Gazette published the inaccurate written submission of Councillor Gibbon and did not have a reporter at the council meeting to hear both sides, a misleading biased article resulted.

The facts are that:

1. The town is not subsidizing private kindergartens or spending public money on them. It is assisting in the provision of accommodation only.
2. The town in 1965 entered into a similar deal with the curling club at no expense to the taxpayers.
3. The kindergarten will contribute (based on the costs of erecting one of these huts for the Braeside Rink) about \$9606.00 to the town in the form of labor and administration expenses and will repay a further \$2500, over five years in rent.
4. In return the kindergarten gets the guaranteed use eight months of the year.

Mayor Fowler's Memo

Two weeks ago there was what I consider an unjustified article on our town engineer. The report was written after a budget meeting at which time council was studying the water system account. During one particular phase of the meeting the town engineer was being pressed by council to justify his position regarding monthly meter reading when we bill water every two months. At the moment the engineer did not have in his possession a full report on this subject which he had written some four months before and circulated to council. We on council expect all of our department heads to be prepared and able to defend and justify their recommendations and in my estimation they almost invariably do. The town engineer had reported on this particular subject previously however the report was not in the hands of newly elected Councillor Lukay who rightfully wanted the matter explained and rightfully questioned the engineer in considerable depth. The matter of the water works budget has not yet been finalized and will be studied further at a special meeting of council this Saturday morning.

To recommend the removal of a department head without total knowledge of that department head's complete function is in my opinion unfair and unjustified. And where a department head is not in a position to reply publicly I feel an obligation to do as the Town's Chief Administrator.

It should be remembered that a great deal of construction planning, design and supervision must be carried out by a professional engineer.

during weekday school hours of the building for five years.

5. The building can be used by Cubs, Scouts, Brownies, Guides and drama groups, etc., during the evenings and four summer months.

6. The town will always have title to the land and building.

7. The town also agreed by resolution to treat any other public, nonprofit group the same way with respect to the remaining two or three huts.

The alternatives are to spend about \$13,000.00 to put up the hut and have no guarantee it would be repaid or to leave the prefab hut in storage indefinitely.

I intend to support any reasonable plan which increases the recreational and cultural facilities of our town at no cost to the taxpayer.

Can we not expect our local newspaper to fairly and accurately report council proceedings regardless of the personal views of the news reporter towards any one councillor or his wife?

Yours truly,
R. G. Wheatley,
Councillor,
Town of St. Albert.

er. Certainly, we used consultants for the newest water reservoir. It could have been done by our own town engineer who is professionally qualified, however, in the considered opinion of council we felt that outside consultants should be called in for the job for two reasons. (1) There is a limit on the work load that we can place on our own engineer and (2) Council felt a project such as this should be designed and supervised by a group of consultants who had considerable experience and background in this type of construction, as well as the staff available to design and supervision.

I imagine the obvious question is "Why doesn't council hire consultants in every instance?" To hire a consultant for every piece of engineering advice we request on council would cost a tremendous amount of money. I do not want or intend to create the impression that I am opposed to professional fees. On the contrary! I have long been convinced that a good professional's advice is a bargain when one considers all factors.

The schedule of fees set down by the Association of Professional Engineers for consultants on a per diem rate is as follows:

Company Principal \$175 per day, senior engineer \$140 per day, junior engineer \$100 per day.

Projects when undertaken by consultants, are designed and supervised on a percentage basis of the total contract. This percentage fee for design and supervision can and often does run as high as ten percent depending on the complexity of the project.

Recreation News

BASEBALL

A Little Canadian League is being formed for boys 9-12 years of age. A League is also being organized for boys of 13 and 14 years of age and if there is sufficient interest, games will also be scheduled for boys 15 years and over.

Coaches and umpires are urgently required to help the boys learn the game and give them a chance to play in an organized league.

To register, as coach, umpire or player, please phone the department of parks and recreation at 599-6601, Ext. 37 (See Ad.)

Boys from the Grandin Park area should meet this week at the diamond situated between the skating rink and the swimming pool on April 4th at 5:30 p.m. **SOFTBALL**

Softball leagues for girls and women will be organized if enough people are interested. To register, please phone the department.

(See Ad.)

There are now 14 baseball diamonds under the jurisdiction of the department. Baseball players should therefore not have any problems finding an area to play on this year. Not all the diamonds are regulation size but they are quite adequate for practices and "scrub". **TENNIS**

The tennis courts are now open to the public. The annual general meeting of the St. Albert Tennis Club will be held in the clubhouse, 5 Grenfell Avenue on April 5 at 7:30 p.m. New members are cordially invited to attend. (See Ad.)

KLONDIKE CLASS

A Klondike dress and hat-making class will be held after Easter if enough ladies are interested. To register, please phone the department **PEDAL PUSHERS**

The department will again be sponsoring the Alberta Safety Council's Pedal Pusher Club this spring. Watch for further announcements. **SOCCER**

Almost 200 boys have registered for soccer and coaches are urgently required. If willing to assist please phone the department or the manager of the boys soccer, Lloyd Hopkins at 599-7887.

Lutherans Easter Contata

St. Albert Evangelical Lutheran Church Choirs are presenting an **EASTER CONTATA** called

The Glory of Easter by John W. Peterson on Palm Sunday, April 7th at 7:30 p.m. **EVERYONE WELCOME!**

A. D. McKenzie of Camrose, graduate of Olds College has been appointed assistant D.A. at Stettler.

Preventative Social Service Dept.

PURPOSE

To develop community awareness and resources, to strengthen and preserve human initiative and to preclude individual and family breakdown.

To do whatever is necessary to make it possible for children to remain in their homes and to participate in healthy family life.

In lay terms the preventive social services are designed to help prevent family break-downs, strained relations within the community, due to lack of understanding among groups and individuals, and to promote greater interest in the overall well being of the community at large. The key to the success of this program is involvement, where-in each person is willing to protect the rights and privileges of all others; the theory being that a person can do irreparable damage to others, not only by his action, but by his inactions as well.

The range covered by this

department includes working with service clubs, recreation, welfare, clergy, health, education, law enforcement agencies, family life association, probation offices, Canada Manpower Commission and so on. It is also a referral service interlocking with other social services.

Our offices are located in the Fire Hall, phone 599-6601 - Ext. 48. Office hours 8:30 - 5:00 p.m.

One of the major factors influencing St. Albert's decision to establish such a program is that, like most rapidly growing towns and cities, we are not without our growing pains; internal and external pressures sur-

rounding the problems of every day living, juvenile problems, marital difficulties, mental and physical break-downs, budget difficulties and the like. While we have always had the resources for curing these problems, there still remained the lack of coordination or marshalling of the forces to achieve an effective and meaningful goal. Now we have taken the first step toward insuring that every citizen in St. Albert has easy access to these services as well as referrals to an almost unlimited number of other agencies. Call or come in if only to get acquainted and offer suggestions for the general betterment of our community.

League Holds Annual Meeting

The annual meeting of the St. Albert Community League was held March 25. The president's report by Mr. Terrault, showed a very active and successful year and reviewed such projects as the renovation of the hall, the popular rodeo dances, and well-attended Wednesday night bingos and a variety of social gatherings sponsored by the League. Financial report showed the organization in a good position.

Amendments to the constitution were discussed and approved during the new

business portion of the meeting.

Elected to office for the following year were: Henry Terrault, president; Mrs. A. Kampen, vice-president and the following board members:

A. Lesburg, Mrs. Arlene Anderson, Mrs. Bertha Dubois, M. DeChamplain, Mrs. Astrid Roberts, Mrs. Alice Kluthe, Andy Kampen, John Dubois, Mrs. Marie Hayden, Gordon Kirby.

Mrs. Lucille de Champlain will again serve as secretary-treasurer.

Anglican Church

Maunday Thursday, 9 p.m. An evening celebration of the Lord's Supper.

Good Friday, 10 a.m. Special service based on that used at Coventry Cathedral.

Easter Day at 9:30 a.m. and 11 a.m. The Holy Eucharist.

New Warden Chosen: At a meeting of parishioners held after the service on Sunday March 31st, Mr. Don Jewitt was elected Peoples' Warden by acclamation. The nomination was made by a nomination committee appointed by the vestry on receiving the resignation of the former warden. No further nominations were received from the floor. Mr. Jewitt has been active in the congregation since coming to the St. Albert area more than five years ago. Whilst in Swan Hills temporarily during this period, with his wife Lorraine, Don was responsible for forming the first Anglican congregation in that area.

Lenten services: Planning has been completed on the services for the remainder of Lent. Parishioners are reminded of the early Eucharist at 9 a.m., each Sunday at the Seminary in classroom 200 d. On Maundy Thursday a special celebration of the Lord's Supper will take place at 9 p.m., at the rectory. In addition arrangements have been made for a group of Sunday School children and parents to visit the Cathedral for a special childrens Good Friday program from 10 a.m. till noon. In Holy week there are regular noon hour services at the Cathedral at which the speaker is Professor Charles Davis. During Lent self-denial folders and childrens' lenten boxes are being used. Proceeds from the folders will be given to the Primate's World Relief Fund to help the victims of war and natural disasters. The childrens' offerings will be sent to the Chas. Cammell Hospital where they will be used to provide pictures to brighten the childrens wards

will be elected**

New Members of All Ages Welcome.

Gazette Sports

Big Entry for Badminton

Barrhead High School won the Veness Badminton trophy for aggregate team points at the North Central Alberta High Schools Badminton Championships held in St. Albert last Saturday. Athabasca was in runner-up position for the travelling trophy.

Sponsored by the N.C.A. high school's Athletic Association, the tourney attracted over 200 entrants from 21 high schools. Play continued from 9 a.m. until 6 p.m. at the Vital Grandin and St. Albert High Schools.

All first and second place finishers in the doubles events, and the top six in boys and girls singles, will make up the 24-member team that will represent the North Central Zone at the provincial championships being played at the University of Alberta on Saturday, April 6.

St. Albert players to make the zone team are Peter

Keuchler and Philip McNeely in boy's singles and Bernice Parsons, girl's singles.

Trophies for first and second place finishes in each event were awarded to:

Girls Singles: Rose Marie Proft, Barrhead; Trudy Semeniuk, Westlock.

Boys Singles: Matthew Woolstoncroft, Ardrossan; Peter Keuchler, St. Albert. Girls Doubles: Shirley Pusch, and Linda White of Barrhead.

Donna Knott and June Fedluk of Rochester.

Boys Doubles: Vic Budz and Paul May of Athabasca. Jim Kolasa and Ron Zolkewski of Thorhild.

Mixed Doubles: Loretta McMaster and Ken Farrents of Barrhead.

Anne Lubchynski and Dave Hryciuk of Thorhild.

Barrhead High School won the Veness trophy for aggregate team points with Athabasca in runner-up position

Soccer Explodes 160 Kids Already

"Stunned" is the way the managers and coaches of soccer in St. Albert described their reaction when they arrived at the Clubhouse last week for registration night. One hundred and forty-nine kids jammed the clubhouse, and more, along with a large group of parents were outside. Last year there were 40 boys playing soccer.

Mr. Brown offered to open his home on Sunday for registration, since it was obvious re-grouping and arranging for added facilities would be necessary. Instead the boys were shown movie films of last year's championship games which were a big hit.

Before Sunday was over Mr. Brown had 159 boys registered, paid for this season. Part of the fee goes to affiliate with the Metropolitan Minor Soccer Association, which includes insurance for the players. A large number of parents came with the boys and the enthusiasm was infectious. Mr. Brown

didn't even stop to eat until evening. And more are still coming in this week.

The Parks and Recreation department got busy and lined up extra areas for soccer pitches, and one goal post is already up at the new Salisbury field. Manager Lloyd Hopkins states emphatically that every boy registered will play this year. Supported by the Hercules Club the soccer people are busy planning uniform drives, arranging practise schedules and a host of other details.

The biggest need is for more coaches and any offers in this area would be welcome indeed, particularly for the 7 year old Atoms, who number nearly 100. PeeWees, Bantams, Midget and Juvenile teams are also set up and a number of coaches are already lined up: Don Hunt, Steen Hansen, Brian O'Kell, Fred Alliston, Tony Holden and Sid Allen, under head coach, John Alliston. Manager Lloyd Hopkins and assistant manager, Fred Allen will also be coaching.

Anyone wishing to volunteer may phone the recreation department at Town hall or the Hopkins residence, 599-7887 evenings.

Meanwhile practices began this week on Tuesday and Wednesday evenings.

New Measles Program

In an effort to reduce the occasional reactions to previous measles vaccines, the Province has made new vaccines available and the Health Unit basic program will take advantage of these.

First injections, at 3, 4 and 5 months will be a five-in-one preparation with diphtheria, tetanus, whooping cough, polio and measles components.

Then comes a modified live measles vaccine at 12 months. Children who have missed the basic 'Quint' series get this same live vaccine a few months after a single dose of a killed measles vaccine.

Reactions to the live vaccine are usually near the sight of injection (swelling, redness or blistering) but occasionally a mild fever or rash occurs 5-12 days after vaccination. The other preparations have not caused much trouble with reactions.

We look forward to the day when, by a world-wide program of measles protection, the chain of measles infections will be irrevocably broken. This will certainly take a long time but there is every prospect of eliminating measles from North America within a few years. What a lot of childhood misery will be saved. Dr. J. M. Howell, Medical Officer of Health Sturgeon Health Unit.

Charles de Gaulle was wounded several times during World War I, and was captured by the Germans in 1916.

Trustees to Visit Schools

The March 5 meeting of St. Albert School District No. 3 was attended by the following. Trustees: MRS. Ross, Messrs. Fraser, O'Hara, Mirtin and LaBelle, the superintendent, Mr. Maloney and secretary-treasurer, Chris McDonnell.

The chairman recommended that the education committee in particular and other trustees, where possible, undertake a visit to the various schools with the superintendent, in order to observe some of the activities conducted under actual instruction circumstances.

Mr. Soprovich gave an outline of the results of the survey taken on the change for parent-teacher interviews. He stated that about one third of the parents replied to the questionnaire. Of these 35% stated that they could arrange day time interviews, 41% could attend only in the evening, the remaining 24% offered no comment.

The board suggested that a further circular be sent to the parents asking that they phone the principal and arrange a time suitable to each party.

Mr. Chaput appeared and spoke further on audio Visual Aids and equipment.

Mr. LaBelle offered to act on behalf of the board as a trustee representative on the exchange student program committee, and agreed to attend the meeting March 11 in Paul Kane High School.

Mr. LaBelle was authorized to attend the A.S.T.A. Seminar being held in Edmonton on March 20-22.

Mr. B. Montpetit, insurance agent, appeared before the meeting with pertinent information on insurance coverage. He was requested

to obtain three quotations from appraisal firms, in order to evaluate the need for a complete report on our plant.

It was moved that an immediate investigation be instituted to obtain information on the coverage of our non teaching personnel under the Workmen's Compensation Act.

It was moved by Mr. LaBelle that the hourly rates set forth in the salary negotiating committee minutes of February 9, 1968, be established and implemented until September 1, 1968, when monthly rates in accordance with the general provincial pay plan could be instituted.

MAYOR FOWLER'S MEMO Cont'd from Page 4

ding on the size of the project.

Over the past two or three years the town engineering department has designed the following projects which are required to be done by professional engineers: Sewage Lagoon \$80,000, Road Design \$140,000, Water, Sewer, Road \$100,000.

The total of these projects alone which have been or will be carried out by the town total \$320,000 and would have been subjected to a design and supervision fee of approximately 10% or \$32,000 if done by independent Consultants as would have been necessary had we not had a professional engineer on staff.

Pavement design requires intimate knowledge of soils, paving materials, etc, while the geometric standards of roads must be based

on existing and projected flows of traffic. These are only some of the qualifications of a professional engineer.

Generally the responsibilities of the town engineer can be listed as follows: 1. To plan development in the town in co-operation with the town planner and other department heads so as to achieve economical and technically sound services which tie into the long range development plan.

2. To supervise construction of above services including the writing of specifications, calling of tenders and checking standards of construction through accepted testing procedures 3. To design services such as water mains and plant, storm and sanitary sewers, roads and related structures 4. Surveying of land where services are to be constructed together with survey data for construction and final measuring of constructed services.

5. Recording of services as constructed. 6. Checking of building proposed for construction as it is related to the acceptability of tying into the towns services. 7. To supervise all maintenance operations relating the above services to ensure continued proper operation of the services. 8. To manage staff of approximately 20 employees to carry out the above responsibilities. These employees include the following.

Engineering assistant (technical school graduate), works superintendent, two foremen, 14 outside workers (operators, utility men, laborers), mechanic, mechanics helper and secretary.

It should be noted that the total outside work force has not been increased since

it was set at 14 by council in 1964, therefore any accusations about Empire Building are unfounded in fact.

Council as a Body are convinced that we have the right man for the right job in the engineers department and when we lose this conviction we will be obligated to take steps to rectify the situation.

Andrew Johnson, the 17th President of the United States, did not learn how to write until after he was married. His wife taught him.

Judge: "I've decided to give your wife a settlement of fifty dollars a week."

Husband: "That's swell, Judge. And I'll throw in a few bucks myself once in a while."

John E. Maybin

Murray E. Stewart

John E. Maybin of Calgary has been appointed president of Canadian Western Natural Gas Company Limited and Northwestern Utilities, Limited. Dennis K. Yorath, chairman of the companies, announces following meetings of the boards of directors. Mr. Maybin, previously executive vice-president, has been with the companies since 1949. He succeeds Mr. Stewart of Edmonton who has accepted a two or three year assignment as president of General Waterworks Corporation of Philadelphia, after which he is expected to return to new responsibilities in Alberta. In making the announcement, Mr. Yorath said General Waterworks was the newest acquisition of International Utilities Corporation, parent company of the Alberta utilities.

Sturgeon Fire Trucks Delivered

The Municipal District of Sturgeon No. 90, formally took possession of their four new fire trucks April 2. Mr. Bill Penny of King Seagrave Ltd., checked out all equipment on the trucks and they were turned over to the fire chiefs of the different areas.

These fire fighting units will be ready for operation on April 15, 1968. They will be placed in Legal, Morin-

ville, Gibbons and St. Albert. The phone numbers for the fire service are:

St. Albert 599-7777
Gibbons 799-5565
or 799-5504
Morinville 256-3011
Legal Dial Operator.

Please note that the number previously listed for Legal is not yet correct. To obtain fire service from Legal just dial the operator. This will be in effect until

the dial system in Legal is installed.

Cards will be mailed out with all tax notices on which ratepayers will be able to write their fire phone number to post near the telephone.

If anyone wishes any clarification on fire protection, contact the Municipal Office or your local council member.

Sturgeon Memos

Items for this column may be telephoned to 599-7448 or mailed to the Gazette, Box 263, St. Albert, from any resident of the Sturgeon Municipality.

MORINVILLE

Mrs. Curtis, Mrs. McDonald and Mrs. Ricard have returned from Calgary where they attended the 39th Annual meeting and conference of the Girl Guides of Canada Alberta Council, held in the Calgary Inn, Mar. 28, 29 and 30. The ladies travelled to Calgary by air.

Bon Accord carnival princess, Linda Schneider was inadvertently omitted from last week's account. Linda was sponsored by the Lions Club. The other princesses were Glenna Chubb and Francine Delage, sponsored by 4-H and the skating rink committee respectively.

Sturgeon Calendar

April 5 - Farmers Nite 101 with Magician Dale Harney and Farm Trend Films at Spruce Grove School, being presented by Borle Farm Centre, no charge. Time 8 p.m.

APRIL 5 - Cash Bingo at Morinville Recreation Centre. Sponsored by the Morinville Sport's Association at 8 p.m. sharp. \$1,000 cash prizes. Tickets \$2 each.

APRIL 7 - Morinville Centre 7:30 p.m. The 4-H Morinville Clothing Club Speak-Offs. Everybody is welcome, come and support your youth in their good training for public life.

ALL RESIDENTS OF THE M.D. OF STURGEON ARE INVITED TO TELEPHONE OR MAIL CALENDAR ITEMS DIRECTLY TO THE GAZETTE - PHONE: 599-7144 OR BOX 263 ST. ALBERT. THESE SHOULD REACH US MONDAY FOR PUBLICATION IN THE CURRENT WEEK.

A Jan. 5th survey showed 595,000 steers and heifers on feed in the province.

CADET HONOUR GUARD

Two Bon Accord boys have been chosen for the Honour Guard from Sturgeon Air Cadet Squadron. Pictured left to right are LAC Richard Cook, Cpl. Thomas Walker, both of Redwater, Sgt. Richard George, Bon Accord, Cpl. Henry Geoekel and LAC Rodney McIntyre, Redwater, LAC Jack Whitaker of Bon Accord and LAC Roger Lonsdale of Redwater are missing in the photo. The seven boys will attend a jamboree for three days in Great Falls, Montana and four days in Spokane, Washington during the Easter holidays.

YOU CAN'T BEAT A MUTTART HOME FOR VALUE AND QUALITY

The 3 Bedroom "SUNDALE" by MUTTART (50' x 30' / 26')

HERE'S WHY

Only top quality materials (Fir Construction) brand name products and precision craftsmanship are used throughout Muttart Homes. . . Muttart's unique "Honeycomb" wall construction guarantees 'tru-square' wall sections with absolute rigidity. . . Ease of erection and the virtual elimination of on-site construction puts labour saving dollars in your pocket. . . Muttart Manufactured Roof Trusses give you added protection and allows you to enclose your home in record time.

Muttart's history of satisfied Home owners, experience (longer than anyone in the industry) and technical "know-how" can give you the assurance of lasting value and quality which you deserve.

You too, can become another "Muttart-Happy-Home-Owner", just . . .

CHARLES BRUMFIT PHOTOGRAPHED AT 94 YEARS

Gibbons Pioneer Celebrates 95th Birthday

Mr. Charles Brumfit a three-quarter-century resident of Gibbons was the recipient of many honors on his 95th birthday March 29. He received an engraved scroll from His Honor Lieutenant Governor G. W. McEwen and a special letter of commendation from the Hon. E. C. Manning, Premier of Alberta.

Over 150 friends and relatives visited Mr. Brumfit on Sunday March 31 at his home in Gibbons, the residence of his daughter and son-in-law Joan and Roy Wearmouth. Friends he had known for many years mingled with their children and grandchildren on the happy occasion.

A family party was held in Edmonton at the home of his daughter and son-in-law Ethel and Jack Kerns. This family birthday party was attended by Mr. Brumfit's entire family: Mr. and Mrs. (Emily) W. S. Oliver, Gibbons; Mr. and Mrs. (Flor-

ence) C. Dawson, Edmonton; Mr. and Mrs. (Susan) J. Plumley, R4 Edmonton; Mr. and Mrs. (Joan) Roy Wearmouth, Gibbons and Mr. Jack Brumfit, Edmonton.

The family presented Mr. Brumfit with a suit-case for he is still an enthusiastic traveller at 95.

Mr. Brumfit, affectionately known as "Poppa" by his many friends and relatives, enjoys excellent health and entertained his visitors with several violin renditions. Although his eyesight is failing he enjoys visiting different parts of Alberta and never fails to

18 Qualify in First Aid

LEGAL - Mrs. Angela Montpetit the First Aid Course Instructress wishes to thank everyone who took the course and is proud to announce that the following people have passed their practical and written tests.

Miss Blanche Regimbald, Miss Sylvia Charrois, Miss Marguerite Montpetit, Miss Judith Montpetit, Miss Marguerite Piquette, Miss Mary Slobogean, Miss Jeanette Zilinski, Miss Kathryn Zilinski, Mrs. Violet Dob-lanko, Mrs. Rosida Georget, Mrs. Yvonne Montpetit Jr., Mrs. Beatrice Maurier, Mrs. Mary Zilinski, Miss Rose Anne Holzer, Miss Maymie Keane, Mr. Donald Montpetit, Mr. Leonard Lavole, and Mr. Robert Montpetit Jr.

Legal Man Wins Award

Leon Brisson at Citadel Motors Ltd., Legal, received the Certificate of Merit for service excellence from Minneapolis-Moline of Canada Ltd. The award was made March 4 following an exacting test at the Factory-Home Service School at Hopkins.

Each "student" was housed and fed during the three-day training school. Actual inspection of factory manufacturing processes, personal work on tear-down, repair, assembly and maintenance were demanded of each man.

The plan of the company is to make every man an expert in all phases of Minneapolis-Moline tractor and machine and implement maintenance and repair.

Coming to Hopkins headquarters of MM from all over the country, dealer servicemen - and service managers - are given a "look into the innards of all machines and components - both mechanical and hydraulic - so that they can go back home really fitted to do anything needed at lower time and labor cost as well as with greater precision."

accept an invitation to a party or picnic.

Mr. Brumfit came from England in 1891 to Calgary, where he spent one year before homesteading on the farm adjoining the Village of Gibbons in 1892. He resided there continuously until last year when he moved into Gibbons with his daughter Joan. It is believed this continual residence of nearly 75 years is a record for Alberta if not the West.

In 1905 Mr. Brumfit married Francis Elizabeth Chase who passed away in 1956. Her family immigrated to Canada in the early 1900's from Nebraska, and settled on a farm four miles S.E. of Gibbons.

Mr. and Mrs. Brumfit were renowned for hospitality in their district and as community workers. They were strong Anglican

Leon Brisson (centre) takes instruction from Les W. Kutil of Minneapolis-Moline service department at the factory service school in Hopkins, Minnesota, while service manager, Frank Boustead, looks on at left.

Councillor Named To Board of Trade

MORINVILLE - Mayor Stapleton, deputy-mayor Calder, councillors Boddez, Curtis, Champagne, Ouellette and Sale were present for the March 12 meeting of the Town of Morinville. Following the adoption of the previous minutes and monthly financial statement, the bids received on a one-ton truck

were discussed. The Pettetier Ford Sales bid was accepted.

It was decided to call for tenders on the building situated on Lot 24, Block 2, Plan 8A, and that tenders will close April 9th at 5pm.

Mr. John Wozny and Mr. Roger Blackburn represent-

Municipal District of Sturgeon, No. 90

BY-LAW No. 59 - 68.

MOVING BUILDINGS ON MUNICIPAL ROADS

By-Law No. 59-68, being a by-law of the Municipal District of Sturgeon No. 90, Morinville, Alberta, for the purpose of controlling and regulating the moving of buildings on Municipal Roads:

WHEREAS, pursuant to Section 222, Part 13, Chapter 30 of the Vehicles and Highway Traffic Act, 1967 the Council of a municipality may make by-laws for the regulation and control of the use of roads under its direction and management;

WHEREAS, it is the Council's wish to control and regulate the moving of buildings by the issuance of moving permits through the Municipal Office for every building being towed, carried or in any other manner, moved on Municipal Roads;

WHEREAS, pursuant to Section 231 Part VI, Chapter 215 of the Municipal District Act, the Council may (a) impose a fine not exceeding One Hundred Dollars, exclusive of costs, for the breach of By-Law No. 59-68; (b) provide for reasonable punishment by imprisonment in the nearest common goal for any period not exceeding sixty days in case of nonpayment of the fine and costs inflicted for the breach of the by-law unless the fine and costs including the costs of committal are sooner paid; (c) provide that if the conviction is for the non payment of a permit fee payable to the Municipal District, the Court on conviction, may adjudge the payment thereof in addition to the fine.

THEREFORE BE IT RESOLVED, that By-Law No. 59-68 be enacted and that a permit be required for moving of buildings on Municipal Roads at the rate of \$5.00 per permit and that a fine be imposed pursuant to the Act for infraction of By-Law No. 59-68.

Moved by Councillor W. Flynn that By-Law No. 59-68 be given first reading this 15 day of March, 1968. MOTION CARRIED

Moved by Councillor W. Van de Walle that By-Law No. 59-68 be given second reading this 15 day of March, 1968. MOTION CARRIED

Moved by Councillor D. Bevington that By-Law No. 59-68 be given third and final reading this 15 day of March, 1968. MOTION CARRIED.

The above noted by-law does not pertain to the moving of granaries from one field to another.

Sturgeon Exhibitors

Attend Stock Show

Sturgeon and Market cattle from Sturgeon Municipal District made a fine contribution to the Canadian Western Stock Show held in Edmonton from March 26 to 30.

There were twenty four head of purebred and fifty five head of market cattle entered from our area. J. E. Duggan and Son showed two head of market cattle, one of the best head of cattle that they have received this award. They also showed the first place bull in class one with two year old, Papaschase Wetmore 29W.

F. J. Adby and Son showed the Senior Reserve Grand Champion female.

Joseph Hesse and Son showed two fifth place bulls in their classes, while George J. Kluthe and Eldege Belanger each showed a sixth place in their classes.

On Friday March 29th there was a purebred swine show and sale with one exhibitor from our area.

F. J. Adby and Son, "Senior Reserve Grand Champion Female", Twin Rivers Miss Vern 26W".

J. E. Duggan and Son, N. Edmonton - first in class 1, bulls three years old, "Papaschase Wetmore 29W".

J. E. Duggan and Son - entry of Grand Champion caribou of market cattle.

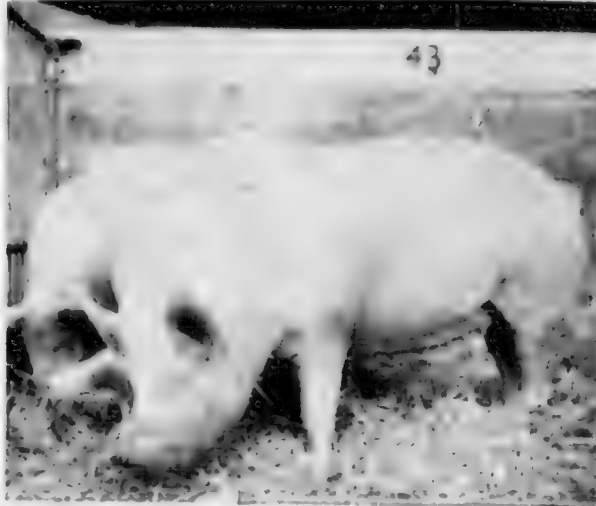

George J. Kluthe, St. Albert - entry of bulls - Wabash Aristocrat and Wetmore mixer blood lines.

J. B. Hesse and Son - Angus Farm, St. Albert - entry of bulls, Highland Black General blood lines.

Eldege Belanger, Morinville - entry of bulls, Wabash Aristocrat blood lines.

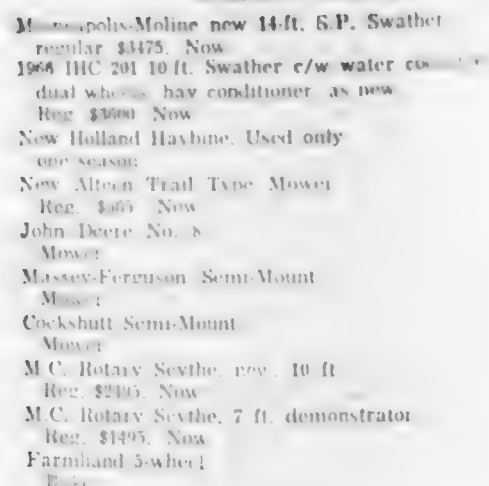

Andy Woywitka, Legal - entry of purebred Yorkshire sows.

Councillor Lawrence Rye, member of Exhibition Board, with Fieldman of Sturgeon, Don England.

WEDNESDAY, APRIL 3, 1968

County Minutes March 14th

Present for the March 14 meeting of M.D. Sturgeon Council were, councillors, G. Wilson, L. Rye, W. Flynn, S. Walker, W. Van de Walle and D. Devington; School Representative J. McDonnell; secretary-treasurer A. Nobert and Superintendent of Public Works R. W. Stack.

The following notices were given to the council, N. Ozipko's complaint continuation of court hearing proposed for April 9, 1968, 10 a.m., Court House, Court of Revision, Mar. 21 and 22 at 9 a.m.; April council meeting to commence at 9 a.m.; AAMD general meeting to be held April 4, 1968, 9 a.m. in the MacDonald Hotel.

SERVICE BOARD SHOP

Mr. Ch. Woods attended the meeting and presented plans and cost estimates on the proposed A.S.B. shop and storage building. The building is a steel style construction 50' x 80' which plans were reviewed by the council. Mr. Woods quotation for said construction amounts to \$37,634, which does not include the outside cement aprons and inside light fixtures but said offer is guaranteed only until Mar. 26, 1968. The municipality would be responsible for ground preparation, compaction and fill and Mr. Wood's Company would be prepared to commence construction by April 30. Council accepted C. J. Woods Sales Ltd quotation of \$37,634.69 and authorized the construction of the A.S.B. shop pursuant to the company's submission.

Business From Minutes

ADBY COMPLAINT

Mr. Van de Walle, chairman of the public works committee reported that the committee had not investigated the Aaby Construction complaint but would do so in the very near future. The committee proposes to contact Mr. Aaby and have him come along with Councillor Wilson and Mr. Gaudmont to inspect and review the problems existing as reported.

GRAVEL LEASE

Letter from R. G. Wheatley of Archibald, Edwards & Associates, solicitor for Michel Investments Ltd., was read to the council. He advised the council that the directors of Michel Investments would prefer to let the existing lease stand until it terminates in July of 1970 or until all of the gravel is removed from the present forty acres under lease. The letter was filed as information.

ROAD PLAN 4365 MC

Letter from Mr. Youngs, director of surveys was read to council stating that he was waiting for the chief maintenance engineer's

recommendation on the portion of plan affecting Pt. of NW 7-55-23-4 containing 0.05 acres. Filed.

127 STREET

Letters from the City of Edmonton and response from municipal solicitor on the construction of 127 Street were read to the council and filed.

FINANCIAL STATEMENT

The following is a brief resume of the financial statement for February as submitted by the secretary treasurer and adopted by council:

Net balance \$281,117.43
Feb. receipts 127,610.71

Sub total \$408,728.14
Less Disbursements for the month 86,264.56
Less invest. 6% 100,000.00

Net balance \$222,463.58

Monthly Expenditure Control Statement - Expenditures to date:

Gen. Govt. \$11,516.15
Prot. to persons and property 3,336.89
Public works 78,594.80
Health 7,355.87
Social Welfare 2,728.77
Capital exp. 22,000.00
Misc. 688.81

Total \$126,221.09

Council adopted the expenditure control statement as submitted.

P.W. MONTHLY REPORT

Mr. Stack submitted his report to the council which indicated machines that had been overhauled and those that were still to be checked. The municipal district gravelled 35 miles of road with its caterpillar Motor scrapers 621 at a cost of \$36,560.50. Approximately 17,306 yards of crushed gravel has been moved from the stockpile. Road maintenance by the motor graders for 1968 cost to date amounts to \$9,667.50.

Delegations

Mr. W. Drake of West-steel Rosco Co. attended the meeting in relation to the municipality's requirements of culverts and signs for 1968 and council

authorized an order of approximately \$5,000 worth of culverts, size, length and time to be determined at the discretion of the superintendent of Public Works.

ALEXANDER RESERVE

Mr. Henry Paul, Chief of the Alexander Band, and Mr. Arcand, attended the meeting in relation to road maintenance by this municipality in the Alexander Reserve at no cost to the Band. Mr. Paul informed the council that there were 19 miles involved and it was his council's wish that said roads be maintained by this municipality in consideration of the taxation received from the Power and Pipe Line and Oil-field assessment of the Reservation. The secretary treasurer informed the council that in 1967 the Pipe Line assessment was \$11,520, and the Oil-field assessment was \$143,020, making a taxation revenue to this M.D. of approximately \$10,600. Mr. Paul also requested council to consider cancelling invoice No. 996 for the amount of \$384.82 which was charged to the Reservation for road grading by the municipality in 1966. Council authorized the Public Works to maintain with the motor graders the 19 miles of roads in the Alexander Reservation at no cost to the Band.

The following receivables were cancelled: Invoice No. 996, amount \$384.82, Alexander Band Council for road maintenance in 1966 in the Alexander Reservation. Invoice No. 371 (1965) amount \$21.00 J. Verbeck for snowplowing. Invoice No. 335 (1967) amount \$70.00 charged to G. Gabbey for private work. Invoice No. 320 (1967) amount \$42.00 charged to B. McCrimmon for private work. Regarding Invoice No. 444 (1967) amount \$78.30 charged to S. Ozipko for private work it was moved that council authorize the secretary-treasurer to amend invoice by reducing said amount by \$17.00 for the transportation leaving a balance of \$61.30 due.

R. R. 4, Edmonton - Phone 799-5990.

Legal ladies who recently completed a self improvement course are (front row from left) Miss Emelle Prefontaine, Mrs. Leo de Champlain, Mrs. Pete Montpetit, Mrs. Bonnie Suvan, instructress; Mrs. Jos Nault, Mrs. Bob Halter, Miss Simone Demers. 2nd row - Mrs. Robert Montpetit, Mrs. Walter Van de Walle, Mrs. Victor Douzlech, Mrs. Eddy Rivard, Mrs. Wilfred Larose, Mrs. Robert Chauvet, Mrs. Roland Demers, Miss Georgette Pare, 3rd row - Miss Lynn St. Onge, Mrs. Normand Letourneau, Mrs. Frank Rivard, Mrs. Donald Cyr, Mrs. Maurice Chauvet, Mrs. Richard Maurier and Miss Judy Montpetit. Three ladies were absent Mrs. Eugene Coulombe, Mrs. Romeo Boissonneault and Miss Racheal Theberge.

March 28 was the culmination of the self improvement course sponsored by the Christian Ladies with Mrs. Bonnie Suvan from St. Albert instructress. The 25 ladies who took the eight week course enjoyed it thoroughly.

Mrs. Van de Walle presented Mrs. Suvan with a coffee spoon engraved Legal 1968 as a souvenir from

all the ladies. The evening ended with singing and games and a delicious lunch was served.

Legal Senior hockey will hold a social evening on Saturday, April 27 at 8 p.m., at the Legal Community Hall. Tickets may be obtained from the members of the hockey committee.

Janet Rivard Feted

LEGAL - Miss Janet Rivard was feted Sunday afternoon at a miscellaneous shower held in the Legal Community Centre with 175 ladies present.

Seated at the head table was the guest of honor, her

mother Mrs. Frank Rivard, Janet's godmother and Mrs. Rivard's twin sister Mrs. Leon Huot, Mrs. Amedee Gagne the future groom's mother and his godmother Mrs. Philippe Blodeau. The front table was decorated with white swans and centred by a red rose horse shoe accented by white doves. The chairs were also decorated with a novelty arrangement of flowered horseshoes symbol of good luck and happiness to the future bride.

For her shower Janet chose a cream, orange and brown sleeveless knit dress complimented by a corsage of white carnations.

The afternoon of fun and games followed by the opening of the gifts. Janet then thanked everyone for attending and all the best wishes

tucked inside the gifts. Special thanks went to the hostesses of the afternoon Mrs. Irene Rivard, Judy Montpetit and Juliette Gagne for organizing such a delightful shower in her honor.

A delicious lunch was served to complete the "fete". Janet is the bride elect of Raymond Gagne from Vimy. The wedding will take place at Legal St. Emile's Church on April 15.

council approved the A. S.B. 1968 - 69 budget and program.

PUBLIC RELATIONS COMMITTEE'S REPORT

Mr. Wilson, chairman of the committee, read to the council the public relations committee's meeting held Feb. 23. The report indicated that the members had met with Messrs. Stapleton and Calder of the Town of Morinville to consider an adjustment on the yearly rental paid by the town for the use of the municipal nuisance grounds at Cardiff. Said matter is to be further considered by the committee at a later date. Mr. Jamison of the Gazette was interviewed by the committee in order that said publication be improved through cooperation of the municipality and various reporters and editor of the Gazette.

Mr. Woods attended the meeting and submitted plans and quotations on the proposed A.S.B. shop at an estimated cost of \$9,50 per square foot.

The committee gave consideration to organizing meetings with Town and Village and City councils in order to promote better relations and liaison on various matters.

Moved that the Public Relations Committee be received by the council.

Public Works Report to Council

PUBLIC WORKS

Mr. Van de Walle read the committee's report, meeting held March 7, 1968. The following is a list of tenders received on Municipal Used Equipment.

1950 D8 CATERPILLAR (S/N 2u9282 with Control Unit and Dozer) Kalton Equipment & Parts Ltd., bid \$3,680; L.H. Davis Contracting Ltd. bid \$2,800; Dick Vanderwall - tender \$3,480; Walter

Courtoreille - tender \$4,500.
1961 CATERPILLAR Grader (No. 12 - 8T10933, plow, wing & scarifier) Yellowhead Construction Co. Ltd. - tender \$4,500; L.H. Davis Contracting Ltd. - tender \$3,200.

CATERPILLAR No. 70 (scraper S/N 3W5115) Yellowhead Construction Co. Ltd. - tender \$3,900.00; L.H. Davis Contracting Ltd. - tender \$3,600.00.

1-1965 DODGE 1/2 TON truck, Leonard Pautonnier Tender \$400; E.A. Bokenfohr - tender \$825; Walter Courtoreille - tender \$850.

2-1966 1/2 TON INTERNATIONAL TRUCKS
Walter Courtoreille - tender on two \$2,150.00.

Council accepted the tender of Yellowhead Construction Co. Ltd. on the purchase of the Caterpillar No. 70 Scraper S/N 3W5115.

Vote registered against W. Flynn.

Council did not accept any tenders received on the 1961 Caterpillar Motor Grader No. 12 - 8T 10933.

Council accepted the tenders received from Mr. Walter Courtoreille on the purchase of (a) 1950 caterpillar D8 S/N 2u9282 with control unit and dozer for \$4,500. (b) 1965 1/2 ton Dodge truck \$850; (c) two 1966 1/2 ton International trucks \$2,150 for a total tender of \$7,500 on the four units.

FENCING TENDER

The following price quotations were received on perimeter fencing of the M.D. culvert storage yard, Soldan Fence and Metal Products Co. Ltd. \$2,388.20; AIM Steel Ltd. \$2,270.00; Wire Rope Industries of Can. Ltd. \$2,141.60.

Quotations consist of 676 lineal feet of Steelguard chainlink 2x9x72 fabric, 3 strands of barbed wire, height 7 feet, 1 7/8 OD galvanized line posts set in concrete, 1 3/8 OD top rail, 6 gauge bottom ten-

Vimy Column

Jeanne Laplante, Reporter
Some 250 people attended the Vimy Community League's annual social evening. A very enjoyable time was had by all.

Approximately 150 people

sion wire; 4 - 2 7/8 corner posts, 2 - 3 1/2 OD gate posts, 1 - 24 - 0 feet double drive gate.

Council accepted Wire Rope Industries of Canada Ltd. tender of \$2,141.60 and authorized erection of said fence as soon as practical.

OIL AND GREASES

Imperial Oil Ltd per L. A Langford had submitted quotations on supplying this municipality with diesel fuel oil, lubricating oil and greases for road equipment to be delivered to any point within this municipality. The council felt that other oil companies within this municipality should be given an opportunity to submit a quotation on such deliveries.

Moved that council advertise for sealed tenders in the Edmonton Journal and Gazette to supply diesel fuel oil, lubricating oil and greases for road equipment and to be delivered to any point within this municipality at a flat rate price.

GRADER BLADES

Moved that council authorize the superintendent to purchase 25 sets of new caterpillar flat curved grader blades of 5/8" x 8' x 8' at the price of \$57.30 per set less 5% discount.

SALARIES
Moved that the council discontinue the minimum salary guarantee policy to the motor grader operators and that a straight hourly rate for services be paid.

came to the first lecture of the Adult Education courses on Faith and Religion held this week. We wish to thank Father Terre and Father Laberge for such an interesting and enlightening evening.

Miss Helen Bombay was feted at a bridal shower held at Mrs. R. Ouellette's home. The 65 ladies present had an enjoyable afternoon after which a delicious lunch was served. Helen is to be married to Norman Ouellette on April 20th.

Mr. Yvon Bilodeau has returned home from North Battleford where he played hockey with the North Battleford Beaver Bruins in a Junior B League.

Mr. Paul Regimbald and Roland Fagnan have returned from Red Earth, where they worked on oil rigs throughout the winter.

Everyone is invited to attend a ham and turkey bingo sponsored by Vimy CWL to be held in the Vimy Community Hall on April 7th at 8 p.m. Twenty games for \$1 will be played.

Former Vimy residents, Mr. and Mrs. E. J. L'Heureux spent the weekend visiting with friends and acquaintances in the district.

Mr. and Mrs. Carl Birks and family from Jasper were visitors at the home of Mr. and Mrs. E. Bernard.

The district residents extend sympathy to Mr. and Mrs. Paul St. Armand and Mr. and Mrs. E. Bernard on their recent bereavement.

Recent weekend visitors included Mrs. J. Dusseault

Junior Farmers Survey

The Junior Farmer's Union of Alberta and the department of youth are doing a survey of rural youth as a joint project. Findings of the study will be used by the junior farmers to help them develop educational

and recreational programs to meet the needs of farm and small town young people.

Seven areas have been selected for the study and about 125 young people in each area will be interviewed and asked to fill out prepared questionnaires. They will be asked about their interest in various farm courses, career plans, hobbies and leisure time interests. Northern areas chosen are Fairview, Stoney Plain, St. Paul county and southern portion of M.D. 87.

and Paulette, Mr. and Mrs. Alec Cyre, Mr. and Mrs. Ray Houle, Mr. and Mrs. Roger Gagne, Mr. and Mrs. Roger Hansen, Mr. and Mrs. Tymen Vande Lagamatt, Mr. and Mrs. Bert Cyre, Mr. and Mrs. Frank Valliere.
